A NEW KIND OF MEMORY CARE

We're borrowing from the traditions of the multigenerational households and local bed and breakfasts to create a place that suits everyone. Suites are comfortable, filled with bright colors, soft natural light and modern finishes. Common areas such as living rooms, patios, lobbies and kitchens encourage friendly gatherings. Meals are a time to connect and enjoy one of life's greatest pleasures, and anyone can roll up their sleeves to help prepare homemade baked goods in our kitchen each day. Just like home, this household revolves around the dining room, where food and conversation connect residents, associates, friends and family.

MEET THE NAYAS

The word *Naya* comes from the ancient language of Classical Sanskrit and is based on being engaged in the present moment. A *Naya* is a guide, person of wisdom, conductor and leader. These terms truly define our caregivers. In perfect alignment with our universal care model, being mindfully engaged in each moment cultivates a sense of well-being, community, spontaneity and creativity.

In traditional senior living models, care is divided between several associates who interact with a resident only within their particular area of limited duties. This not only results in reduced continuity, but it prevents associates from seeing the big picture of each resident's well-being. Because our *Nayas* spend the day with residents, they notice the early signs of concern that might otherwise go unseen. *Nayas* know if residents have a good appetite, how well they slept and when they last exercised or participated in a new program. They can observe how individuals react to a change in type or dosage of medicine or a new therapy. Understanding the big picture results in a healthier, happier, more connected lifestyle.

WHAT MAKES A WATERMARK COMMUNITY DIFFERENT

WATERMARK UNIVERSITY

Residents, associates, family members and local experts share their interests to ensure we always have opportunities to learn, grow and connect with each other in meaningful ways. We feature dozens of classes and examples include *The Writer's Circle*, *Conversational Spanish*, *Music and Movement*, and *Facebook 101*, to name a few.

EXTRAORDINARY OUTINGS

At Watermark, we created Extraordinary Outings to challenge traditional assumptions of what is possible for our residents. They include visits to Radio City Music Hall, hot air balloon rides, train trips and even overnight camping trips. Extraordinary Outings stretch beyond day-to-day excursions to ensure that residents have special experiences to look forward to, regardless of whether they live in Independent Living, Assisted Living, Memory Care or Rehabilitation and Skilled Nursing neighborhoods.

MEMORY CARE WITH NAYA CAREGIVERS

We believe the art of caregiving goes beyond the traditional title, so we call our caregivers *Nayas*, a word originating from the ancient language of Sanskrit. A Naya is a guide, person of wisdom and a leader who is engaged in the present moment. We know that behaviors are a response to an unmet need. From this thoughtful foundation, we cultivate a sense of well-being and connection. We partnered with NCCDP to train our Nayas how to incorporate residents in the rhythms of daily living and communicate through validation rather than correction to show understanding and support. Together, residents and Nayas work side-by-side, cooking, cleaning, preparing and serving homestyle meals, and anything else that evokes a sense of fun and purpose.

GOURMET BITES

At Watermark communities coast to coast, Gourmet Bites, our signature dining program, is restoring independence and the joy of dining for individuals with cognitive, physical and neuromuscular challenges. Gourmet Bites is an innovative, pioneering process that transforms our own high-quality, freshly prepared, gourmet menu items into nutritionally balanced meals, intended to be enjoyed by hand, with no utensils required.

PANTRY PROGRAM

Our Pantry Program provides residents personal space to store favorite items like mint Milano cookies or tomato bisque, so comfort foods are always close at hand. Families and friends also use the pantries for photographs, books, games and more, to use as fun conversation starters during visits with loved ones.

WHAT MAKES A WATERMARK COMMUNITY DIFFERENT

(Continued from previous page)

THRIVING THROUGH MUSIC

This innovative program teaches us ways in which creating specific individualized playlists of music for our residents who are living with dementia and other cognitive and physical challenges can reconnect with the world in a unique way. Thriving Through Music can change an interaction for someone truly struggling, from one of aggravation and stress to one of joy and calm. We have witnessed residents who begin with few words and progress with the ability to sing entire lyrics of their favorite songs, followed by engaging behavior for an extended amount of time after the musical experience. We are thrilled to have this program as part of our everyday care.

SAGE DIVERSITY CREDENTIAL

Watermark respects, honors and celebrates diversity in all forms and has embarked upon a partnership with SAGE, a national leader working tirelessly on behalf of LGBT elders for four decades. Watermark is committed to maintaining the Platinum SAGE credential, meaning at least 80 percent of associates have completed SAGE training. Armed with greater knowledge, empathy and understanding, Watermark communities will be even more poised to serve our diverse communities, associates, families, friends and guests.

WATERMARK FOR KIDS

This nonprofit organization creates young leaders and empowers them to thrive. Through Watermark for Kids, young people are encouraged to build character, strengthen their leadership skills and express their creativity, compassion and spirit. Watermark Kids in turn visit our communities to share their experiences, offer a musical performance, or present a Watermark University class on their passion. Watermark for Kids adds to a fun, vibrant atmosphere and contributes to a sense of purposeful living. To learn more, visit watermarkforkids.org.
